Sir,

I have the honor to enclose a bill No 21425 for Rs 213-3/11. being amount due for the carriage by rail of two elephants with their gear and fodder belonging to H.H the Maharajah of Mysore between Bangalore Cantonment and Delhi in December 1903.

We have only just been able to ascertain the correct charges due to each of the other lines over which the elephants were carried and it is partly for this reason and partly for the reason that we were under the impression that a credit note was tendered in payment at the time of booking that we are rather late with our bill.

Will you kindly order an early payment.

I have the honor to be,
Sir,
Your Obedient Servant
